

## CERTIFIED PEER COUNSELOR TRAINING SCHOLARSHIP APPLICATION

The Chad's Legacy Project Peer Training Stipend Grant, provides an opportunity to those wishing to become a Certified Peer Counselor through the Washington State Healthcare Authority Certified Peer Counselor training program. This CLP Scholarship of up to \$700 per trainee is reserved for those not already employed in the Behavioral Health workforce and show that attending the training is also a financial hardship in time taken off from work.

Requirements are based on the below application, availability of Chad's Legacy Project Scholarship funds and the met requirements listed here:

- Reserved for those not already employed in the Behavioral Health field
- Have a signed Community Endorsement
- Have been in recovery for at least one year
- Are currently living and plan to continue living in Washington State
- Intend to work in the Behavioral Health System as a CPC within 6 mos.
- Agree to participate in a quarterly survey in the 12 months following training.

Applicant Name: \_\_\_\_\_

### COMMUNITY ENDORSEMENT (To be filled out by Endorsement Organization Representative)

A community endorsement organization representative is an individual in a hiring capacity in the behavioral health community that employs CPC's. This endorsement is not a promise of eventual hiring, but an indication the applicant has explored joining the workforce.

Org Name		Contact	
Email		Phone	

We have met the applicant and feel he/she/they would be a strong candidate for the Chad's Legacy Peer Counselor Scholarship. We understand this is in no way a promise to employ the grant applicant, but does indicate we would entertain a formal interview at such time that we had an opening for the Peer Counselor services he/she/they would be trained in.
